

## Create an account in Fast2sms

Team ID	PNT2022TMID18361
Project Name	Smart-Farmer IOT enabled smart farming application

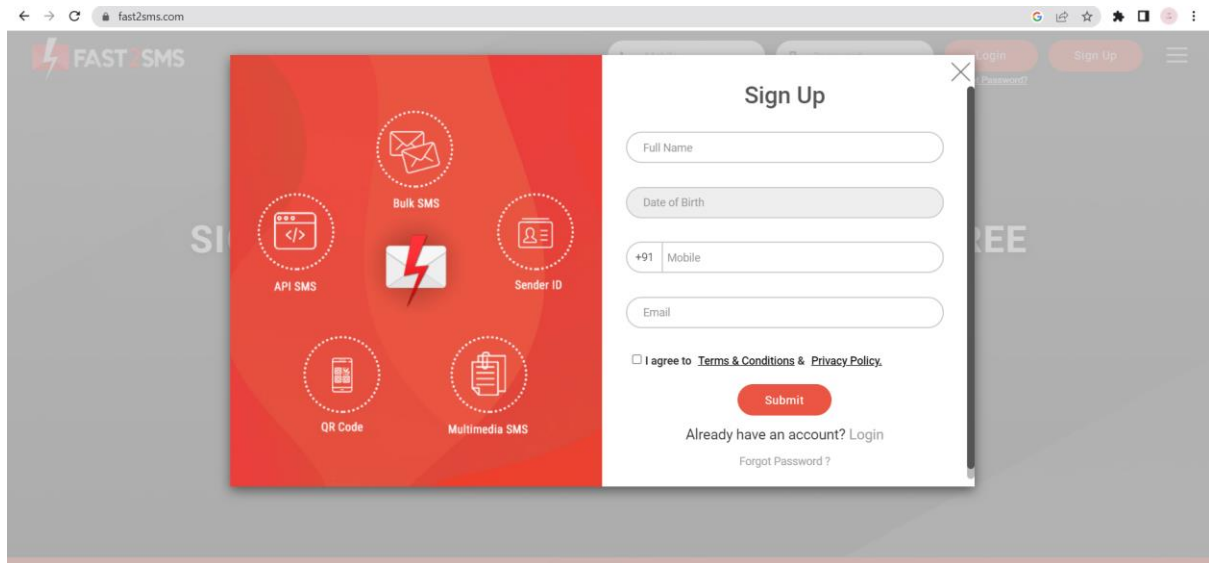

Step 1: In google, search fast2sms and open the first link

Step 2: Click sign up

Step 3: After that, fill the details and click the check box and the click the submit button

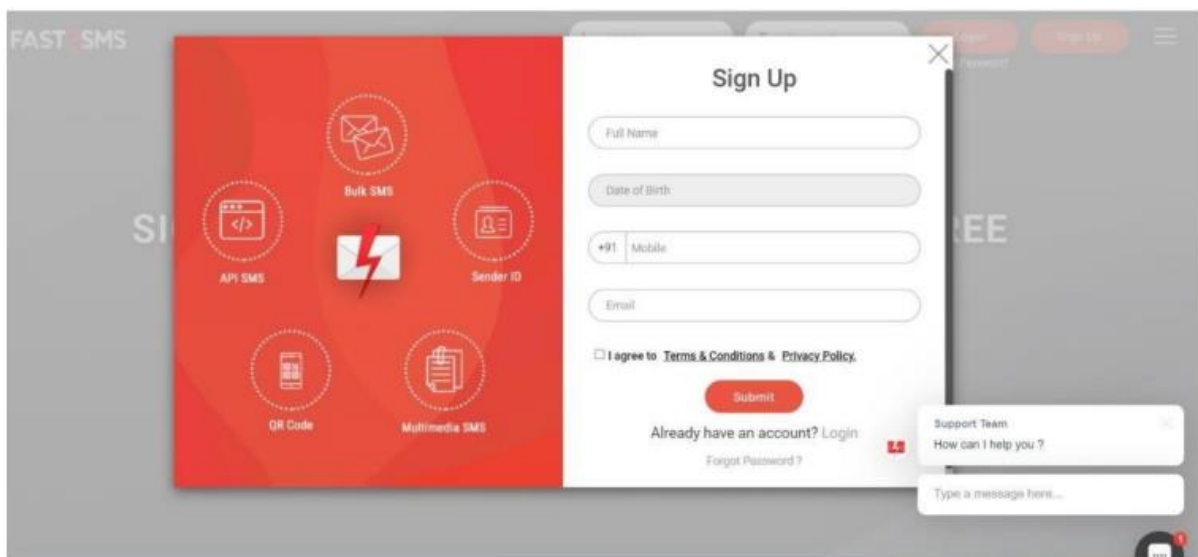

The screenshot shows the Fast SMS website with a 'Sign Up' modal form open. The form includes the following fields and elements:

- Full Name:** A text input field.
- Date of Birth:** A date selection field.
- +91 Mobile:** A text input field for the mobile number.
- Email:** A text input field for the email address.
- Agreement:** A checkbox labeled 'I agree to' followed by links for 'Terms & Conditions' and 'Privacy Policy'.
- Submit:** A red button to submit the form.
- Links:** Below the submit button, there are links for 'Already have an account? Login' and 'Forgot Password?'.

The background of the website features a red sidebar with icons for various services: API SMS, Bulk SMS, Sender ID, QR Code, and Multimedia SMS.

Step 4: After this, receive the username and password and click the submit button

This screenshot is identical to the previous one, showing the 'Sign Up' form on the Fast SMS website. In addition to the form fields and buttons, a 'Support Team' chat window is visible in the bottom right corner. The chat window contains the text 'How can I help you?' and a text input field with the placeholder 'Type a message here...'.

## Step 5: Select the Dev API
